

Curriculum vitae of
Marc S. Buslik

EDUCATION

Ph.D., Criminology, Law and Justice, University of Illinois at Chicago, candidate. Research interests: procedural justice, accountability and legitimacy in police disciplinary systems; ecological theories and spatial and temporal implications of crime and disorder; police officer wellness.

- Recipient of *Richard H. Ward Scholarship Award*.
- Research Assistant for “The National Police Research Platform,” an on-going National Institute of Justice project examining the life-course of police officers and organizations.
- Research Assistant for “An Evaluation of the Chicago Public Schools Peer Jury System,” a project to examine the restorative process within a community justice setting.

Master of Public Administration, University of Illinois at Chicago, 1992. Thesis: “Information Systems for a New Police Philosophy,” addressing community-based/problem-oriented policing and the integration of appropriate information system technologies.

- Elected to *Pi Alpha Alpha*, public affairs and administration honor society.

B.A., Northeastern Illinois University, Chicago, 1988. Major: Criminal Justice, minor: Computer Science.

Graduate, Northwestern University, School of Police Staff and Command, 1996.

CHICAGO POLICE DEPARTMENT EMPLOYMENT

1980 to 2019, Retired.

District Commander, District 019. (November 2016 to May 2019)

In command of a patrol district, including 400 sworn supervisors, patrol officers and detectives, and civilian personnel.

- Nationally-recognized expert on the use of police body worn cameras.
- Presenter at 2018 “Course Correction: National Law Enforcement Summit on Police Mental Health Response”; Co-author of resulting “white paper”.
- CPD Command Staff Member of Mayoral Task Force on Mental Health Response.
- Instituted pilot “Mental Health Resource Officer” position prior to Department-wide implementation through consent decree mandate.
- Member, Executive Board, Lakeshore Children’s Hospital.
- Member, Community Leadership Board, Presence / Amita Health – St. Joseph’s Hospital.

Commander, Office of the Superintendent – US Department of Justice (DOJ) Liaison. (January 2016 to November 2016, when the position was eliminated)

Coordinate all Department resources in furtherance of a DOJ “pattern and practice” investigation.

- Liaison to Mayoral appointed Police Accountability Task Force examining Department practices and accountability measures.

CHICAGO POLICE DEPARTMENT EMPLOYMENT (continued)

District Commander, District 014. (January 2015 to January 2016)

In command of a patrol district, including 300 sworn supervisors, patrol officers and detectives, and civilian personnel.

- Member of the Department's committee for 1st time CALEA accreditation.
- Initiated new Department-wide social media presence (through Twitter).
- Initiated new Department-wide participation in "Renaissance Knights" chess program with the Chicago Public Schools.
- Oversaw the operation of the "body worn camera" Department pilot program.
- Oversaw the administration and operations of a pilot program implementing high-risk domestic violence victim assessment and intervention by patrol officers.

Captain assigned as District Executive Officer, District 014. (January 2012 to January 2015)

Second-in-Command of the district. Assist the District Commander in operations, administration, and planning.

- Lead District Terrorism Liaison Officer and member of FBI Terrorism Liaison Officers Committee.
- Assessor for Metro Nashville Police Department 2013 Captain's promotion exam.
- Managed Logistics function during five-day NATO Summit, including personnel deployment, field distributed food and water supplies and overtime tracking.

Captain assigned as District Watch Commander, Districts 025 and 014. (January 2001-December 2011)

Responsible for all operations of a patrol district during a single shift, including 75 -125 sworn and civilian personnel.

- District Terrorism Liaison Officer and member of FBI Terrorism Liaison Officers Committee.
- Prepared annual District "Goals and Accomplishments" report along with quarterly evaluations / status reports.
- Prepared an assessment for the Patrol Division of police, fire and emergency medical mutual aid response and radio communications systems within the Chicago region.
- Prepared Area/District "Emergency Action Plan."
- Subject Matter Expert for 2006 Lieutenant's promotion exam.
- Assessor for Metro Nashville Police Department 2010 Captain's promotion exam.

Lieutenant assigned as Commanding Officer, Research and Development Division - Policy and Procedures Section. (July 2000 to January 2001)

Managed the development of Department policy directives and evaluation of uniforms and equipment. Member of the Department Arsenal Committee, Uniform Committee, and Building Committee; represented the Department on the Local Emergency Planning Committee.

- Authored the policy on use of firearms against offenders in vehicles.
- Developed draft Department policy and a model policy for the Illinois Association of Chiefs of Police on "racial profiling" and "biased policing."
- Policy advisor to Department risk management group.
- Instituted policy document development based on CALEA standards and IACP model policies.

CHICAGO POLICE DEPARTMENT EMPLOYMENT (continued)**Field Operations Lieutenant, Districts 015 and 025.** (January 2000 to July 2000)

Managed all field operations within a patrol district with direct supervision of patrol sergeants.

Lieutenant assigned as Deputy Chief, Chicago Housing Authority Police Department (City of Chicago / Chicago Housing Authority Transition Team). (June 1999 to January 2000)

Initially assigned to conduct an assessment of the CHA Police Department Internal Inspections and Investigations Division, later assumed command responsibilities for the Division until its absorption by the Chicago Police Department; managed 1 Supervising Inspector, 4 Inspectors, 3 Investigators and 1 civilian clerk. Assisted in overall Department planning, training, and personnel management; liaison to CHA Police Department Citizen's Advisory Board; liaison to the CHA Legal Department and City of Chicago Corporation Counsel in labor and tort litigation and labor arbitration; liaison to the US Department of Housing and Urban Development and US Department of Justice.

Lieutenant assigned as Watch Commander, District 025. (May 1999 to June 1999)**Field Operations Lieutenant, District 025.** (November 1998 to May 1999)

Responsible for all operations of a patrol district during a single shift, including 75 -100 sworn and civilian personnel.

- Prepared the District "Accomplishments and Goals" report and the District Plan for the District Commander.

Sergeant assigned as Commanding Officer, Internal Affairs Division - Administration Section. (September 1995 to November 1998)

Supported the Division Assistant Deputy Superintendent as his administrative aide. Managed the administrative staff and Information Services Unit with 4 Police Agents, 1 police officer and 1 civilian timekeeper. Initiated and tracked "Confidential" internal investigations; maintained confidential informant files; reviewed investigative files and prepared opinion and commentary on behalf of the Assistant Deputy Superintendent. Developed strategic initiatives and prepared policy documents for the Division and Department; provided liaison to prosecuting and other law enforcement agencies, and the Chicago Police Board, CPD Office of Professional Standards and City of Chicago Inspector General's Office; managed staff recruitment and development, prepared the annual budget, and maintained Division funding accounts and controlled disbursements.

- Served as the Acting Commanding Officer of Confidential Investigations Section.
- Deputized as a Special Federal Agent with the Federal Bureau of Investigation.
- Managed the development and administration of two "Police Agent" promotional exam processes for investigators assigned to the Internal Affairs Division.
- Managed a project designing a new automated misconduct-tracking, case management and disciplinary records system for the CPD.
- Member of a task force convened by the Superintendent to prepare an analysis of, and a response program for domestic violence involving CPD employees.

Sector Sergeant, District 025. (August 1994 to September 1995)

Responsible for supervising police officers within one sector of a patrol district, including disciplinary issues and community policing.

- Assisted the Education and Training Division in the development of the training curriculum for the "Chicago Alternative Policing Strategy" (CAPS) community policing initiative.

CHICAGO POLICE DEPARTMENT EMPLOYMENT (continued)**Police Officer assigned as Police Technician, Organized Crime Division - Technical Services Unit.** (May 1993 to August 1994)

Conducted covert audio and video surveillance (including telephone intercepts) in traditional organized crime, narcotics and street gang investigations; conducted electronic counter-measures operations; assisted Department members and the Chicago Police / FBI Joint Terrorism Task Force in the operation of covert surveillance and investigation equipment and services. Conducted criminal investigations involving the use of information technology, including forensic analysis; supported users of information technology within the Division; and maintained liaison with state and federal agencies regarding computer crime.

- Prepared the annual budget requirements for technical investigative services.
- Lead investigator for the Department's investigations of on-line child pornography and copyright violations.
- Member of the Field Planning Review Committee reviewing proposed Department-wide policy directives.

Police Officer, Organized Crime Division - Narcotics Section. (August 1992 to May 1993)

Enforcement and surveillance officer during major city-wide operations and for the Airport Interdiction Team. Designed, implemented and maintained information technology to support both the administrative and operational needs of the Section.

- Detailed to the Office of the Deputy Superintendent - Bureau of Investigative Services where I conducted a study of homicide investigation methodology and homicide preventability. This analysis included the creation of a benchmark to measure the elapsed time and effort required to clear homicides, by their particular *modus operandi*, and alerted the Department to a likely change in clearance rates.

Police Officer assigned as a Systems Analyst, Information Services Division. (January 1989 to August 1991)

Coordinated personal computer, local area network and mid-range systems support. This included office automation, application development and maintenance, and geographic information systems. Assisted in the preparation of Division and Department-wide budgets for the acquisition of information technology, and participated in the development of short- and long-range strategic information technology plans for the Department. Developed curricula and conducted training classes in office automation applications, database design, systems design and Department information technology policy.

- Co-chairperson of the Chicago Public Safety Communications Project (later to become the City's OEMC) Radio/Data Systems Development Group, and a staff member of the Work Stations/Radio Consoles, CAD/Graphics Displays, Management Information Systems, E9-1-1, Automatic Call Distribution, Alternate Voice/Data Systems, Backup Power Systems and Facility Development Groups.
- Co-Project Manager of the Patrol District and Detective Area Automation Project, developing the Department-wide client/server-based automated information system supporting the Department data warehouse and records management system.

Police Officer, Patrol Division - Administration Group. (August 1988 to January 1989)

Developed and implemented an automated administrative information system for the Patrol Division.

CHICAGO POLICE DEPARTMENT EMPLOYMENT (continued)**Police Officer, District 025.** (July 1982 to August 1988)

Assigned from beat/preliminary investigation patrol duties (including field training of recruits) to the Tactical Team, and then to the District Commander's staff, assisting the Review Office in data collection and analysis.

- Member of the Superintendent's "Select Committee on Problem-Oriented Policing," convened in cooperation with the Police Executive Research Forum (PERF). Co-authored a final report with recommendations for implementation of community-based, problem-oriented policing.
- Principal Researcher in the Department's participation in a National Institute of Justice (NIJ) grant project "Mapping Crime In Its Community Setting", examining crime analysis by the police and the community. As a component of this project, I developed the "Micro-computer Assisted Police Analysis and Deployment System (MAPADS)," the pre-cursor to the Information Collection for Automated Mapping (ICAM) and current on-line geographic information system.
- Member of the Field Planning Review Committee reviewing proposed Department-wide policy directives.

Investigator, Office of the Superintendent - Office of Professional Standards. (July 1980 to July 1982)

Conducted excessive force and police shooting investigations. Conducted criminal, civil and administrative investigations in conjunction with Federal law enforcement agencies, the US Attorney's Office, the Cook County State's Attorney's Office and the City of Chicago Law Department.

- Prepared systems requirements and design for an automated disciplinary records and case management system.

TEACHING EMPLOYMENT

Illinois Institute of Technology, January 2014 to Present, part-time

Adjunct Professor, Stuart School of Business. Graduate courses taught:

PA 553, Public Safety Administration

PA 516, Information Technology in

Public Administration

University of Illinois at Chicago, June 2008 to Present, part-time

Adjunct Professor, Department of Criminology, Law and Justice. Recipient of 2014 Undergraduate Teaching Award. Undergraduate courses taught:

CLJ 345, Police in Society

CLJ 361, Criminal Investigation

Oakton Community College, August 1992 to Present, part-time

Adjunct Professor, Division of Mathematics and Technology. Member of the College Curriculum Development Committee. Courses taught:

CIS 101, Introduction to Computer

CIS 105, Programming Logic and Design

Information Systems

CIS 204, Systems Analysis and Design

CIS 241, Database Design and Development

UNITED STATES DEPARTMENT OF JUSTICE EMPLOYMENT

September 1988 to Present, part-time

National Institute of Justice / Bureau of Justice Assistance / COPS Office Consultant Program;

Member. Review and recommend funding of grant requests, review manuscripts for publication, review manuscripts for “Problem-Oriented Guides for Police (POP Guides)” Series, provide other consulting services as requested.

National Institute of Justice Social Science Research on Forensics Topical Working Group; Member. (January 2013)

Expert panel to review NIJ research inventory and identify priority issues and potential future research in this relatively new field of social science.

National Institute of Justice Standing Review Panel, Justice Systems Research; Multi-year appointment made in January 2012. Provide expert, peer review in the fields of policing, courts and corrections, and research on drugs and crime.

National Institute of Justice Geospatial Technical Working Group; Member. Develop grant solicitation topics, review grant performance and provide general consultation on issues of geography and data analysis within the justice system.

US Department of Justice / US Department of State (Agency for International Development) –

Millennium Challenge Corporation Threshold Country Program for Ukraine; Senior Analyst. (August to October 2009)

Member of 2-person team that conducted an evaluation of a foreign aid effort to counter public corruption and apply the “rule of law” through the enactment of professional ethics, conflicts of interest and financial disclosure legislation, and the creation of internal investigation units within the national government of Ukraine.

National Institute of Justice – *Integrating Transportation Flow and Police Stop Data;* Working Group Member. (July 2005)

This group was convened to share strategies for data collection and the development of suitable metrics in “racial profiling” analysis.

National Institute of Justice – *Uniform Crime Reporting Project;* Advisory Board Member. (November 2004 to December 2005)

This project cleaned the UCR dataset and developed an application front-end to the UCR dataset maintained at the National Archive of Criminal Justice Data at the University of Michigan. The board assisted the NIJ and FBI in decisions of usability for end users of UCR data, including community members, police agencies, researchers, the news media and the federal government.

US Department of Justice – *International Criminal Investigative Technical Assistance Program (ICITAP);* Advisor. (March to April 2004)

Provided assistance and instruction to Republic of Albania National Police in internal investigations and anti-corruption strategies to comply with US and European Union aid requirements.

OTHER EMPLOYMENT

Polaris Public Safety Solutions, LLC, September 2019 to Present, part-time

Lead Instructor. US Department of Homeland Security grant to train Chicago Police, Chicago Fire, Illinois State Police, Cook County Sheriff and Illinois and Chicago Emergency Management personnel on radiation and nuclear incident response. Prepare curricula material and instruct classes.

International Association of Chiefs of Police - for the Upper Merion Township, Pennsylvania Police Department; Exam Assessor. (February 2006)

Member of the 3-person oral review board for the Sergeant's promotion exam.

International Association of Chiefs of Police - for the Dover Township, New Jersey Police Department; Exam Assessor. (May 2003)

Assessed the written scenario and in-basket portions of the Sergeant's promotion exam.

Waukesha County, Wisconsin Sheriff's Department - Consolidated Communications Center Project; Senior Systems Analyst. (April 2002 to June 2002)

Defined user requirements and prepared request for proposals for a computer-aided dispatch and records management system to support 25 police, fire and emergency medical service agencies and the county sheriff.

City of Naperville, Illinois - Strategic Technology Plan Project; Senior Systems Analyst. (November 2000 to June 2001)

Conducted a needs analysis, defining user requirements, preparing requests for proposals and evaluating vendor responses for information technology for the police, fire and emergency medical service functions of the City.

Village of Oak Park, Illinois / West Suburban Consolidated Dispatch Center – Consortium Development Project; Project Leader. (August 1997 to January 1998)

Conducted a feasibility study for the creation of a multi-jurisdictional public safety communications center. Prepared a staffing and cost analysis for the center.

Waukesha County, Wisconsin Sheriff's Department – Dispatch Center Project; Project Leader. (January 1995 to June 1995)

Lead member of a team that prepared a needs analysis, requirements definition, Request For Proposals and vendor evaluation for a computer-aided dispatch system to support a multiple public safety agency dispatch center. Responsible for staff scheduling and ensuring project budget compliance.

Villages of River Forest and Forest Park, Illinois – Radio Systems Project; Project Leader. (September 1992 to November 1992)

Conducted a systems analysis of the police, fire and EMS wireless voice and data communications systems.

Village of Oak Park, Illinois – Emergency Communications Center Project; Project Leader. (March 1992 to December 1992)

Lead member of a 5-person team that prepared a needs analysis, requirements definition, Request For Proposals, and vendor evaluation for an Enhanced 9-1-1 system, voice and data wireless communications, computer-aided dispatch, computerized records management system and Emergency Operations Center for the police, fire and public works departments.

OTHER EMPLOYMENT (continued)

Center for Public Safety at Northwestern University, February 1990 to December 2006, part-time
Adjunct Instructor - *School of Police Staff and Command*. Courses taught:

Information Technology for	Research Methods
Law Enforcement Managers	Planning and Policy Development

Senior Consultant - *Scottsdale, AZ Police Department Project*. (November 2003 to December 2004)

Member of a team that conducted an agency-wide staffing and function analysis. I focused on the management of the 9-1-1 police, fire and emergency medical service call-taking and dispatch process and the patrol functional interface.

Senior Consultant - *City of Lake Forest Project*. (December 1996 to March 1997)

This project was the first phase in determining the feasibility of a joint public safety dispatch center for three Chicago suburbs. I prepared a preliminary staffing analysis and technology review of the computer-aided dispatch, E9-1-1, records management and wireless data systems.

Deputy Program Director - *City of Chicago Airports Security Project*. (August 1992 to July 1993)

Managed operational planning, budgeting and staffing for a consulting staff supporting safety and security programs at O'Hare International and Midway Airports and Merrill C. Meigs Field.

Technical Project Coordinator - *O'Hare Communications (9-1-1) Center Project*. (July 1991 to

August 1992, full-time while on a leave of absence from the Chicago Police Department)
Managed technical aspects of the design, build and implementation of the new public safety Communications / Command / Control (C³) center at O'Hare International Airport for police, fire, emergency medical services, security operations and federal law enforcement agency support, including electronic security, data, telephone, radio communications and computer-aided dispatch systems.
Conducted contract provision and budget compliance audits.

Senior Consultant – *City of Chicago Airports Security Project*. (February 1990 to July 1991)

Provided general consultation to Department of Aviation Safety and Security Division. Assisted in the development of overall airport security plans. Modified and maintained employee ID card, access control and security identification application to meet new Federal Aviation Administration standards for access to secure portions of the airfield; developed and maintained airfield driver's license system.

CHICAGO POLICE DEPARTMENT and RELATED AWARDS and RECOGNITIONS

Mayoral / City Council Career Recognition
"William G. Powers Command Leadership Award"
3 Department Commendations
Special Service Award
Joint Operations Award
4 Attendance Recognition Awards
NATO Summit Service Award
Presidential Election Deployment Award
Twice recommended by my District Commander
for meritorious promotion to Detective
City of Chicago Superior Public Service /
Kathy Osterman Award Finalist -
Outstanding Public Safety Employee

Illinois General Assembly Career Recognition
Lifesaving Award
3 Unit Meritorious Performance Awards
65 Honorable Mentions
32 Community Members' Complimentary Letters
2004 and 2009 Crime Reduction Awards
1996 Democratic National Convention Award
Shomrim Society of Illinois "Police Officer of
the Year - 2010"
Two handgun competition awards
Veterans of Foreign Wars Award for
Crime Prevention

PROFESSIONAL TRAINING and CERTIFICATIONS

Northwestern University Traffic Institute / Center for Public Safety:

- Supervision of Police Personnel
- Successful Grantsmanship
- Chicago Police Management Training Program
- Managing Criminal Investigations
- Driving While Impaired Enforcement

US Department of Justice, Office for State and Local Domestic Preparedness Support:

- Terrorism Awareness for Emergency First Responders

Federal Bureau of Investigation:

- Operation of the Integrated Emergency Management System/ "Rapid Start" computer system

United States Secret Service:

- Protective Operations

US Department of Homeland Security:

- All mandated NIMS ICS courses
- Law Enforcement Prevention and Deterrence of Terrorist Acts

Federal Emergency Management Agency (Independent Study program):

- The Professional in Emergency Management
- Emergency Preparedness
- EOC Management and Operations
- Basic Incident Command System
- Special Events Contingency Planning
- An Orientation to Community Disaster Exercises
- Radiological Emergency Response
- Portable Emergency Data System
- A Citizen's Guide to Disaster Assistance
- Introduction to Mitigation
- Decision Making and Problem Solving
- Emergency Program Manager
- Emergency Response to Terrorism
- The Role of Voluntary Agencies in Emergency Management
- Mitigation for Homeowners
- Radiological Emergency Management
- Introduction to Hazardous Materials
- Anticipating Hazardous Weather and Community Risk
- Leadership and Influence
- Fundamentals of Emergency Management

International Association of Chiefs of Police:

- Leadership in Police Organizations
- Workshop on Assessment Centers and Selection Issues

State of Illinois:

- Licensed as an *Electronic Criminal Surveillance Officer II*
- Hazardous Materials First Responder

City of Chicago Management Institute:

- Strategic Planning
- Ethics in the Workplace
- Stress Management
- Supervising for Excellence
- Introduction to Management Information Systems

Chicago Police Department Education and Training Division (Beyond mandatory pre- and in-service training):

- Graduate of the *Superintendent's Executive Development Program*.
- Advanced Field Training Officer*; Certified Instructor in "Occupational Exposure to Disease."
- Extension course certificates in:
- Criminal Law; Vehicle Theft; Interviews and Interrogations; Search Warrants

University of Illinois:

- Graduate of *Police Supervisor's Management Course*

University of Illinois, School of Public Health:

- "*Master The Disaster*" and "*Prevent The Event*" Crisis Management Training

IBM Corporation:

- Various project management and operational information technology courses
