

FOCUS AREA: Construction & Drafting Technology

PATHWAY:

TRANSFER TO:

Visit your Academic Advisor, CCC.edu or your [College's Transfer Center](#) for more information

This is a RECOMMENDED course sequence for students interested in pursuing Industrial Technology and Management at Illinois Tech. If the pathway is followed as outlined, the students will earn an Associate of Applied Science degree. It is strongly recommended that students participate in the Fast Forward Program between CCC and IIT to take advantage of the benefits that exist with IIT. Through peer mentorship, advising, and personal/professional development opportunities both on and off campus, FastForward to Illinois Tech allows CCC students to get acclimated to the Illinois Tech campus and the programs of study offered. To learn more about the program, click [here](#). Students can also create an account and upload their CCC courses into the [Transferology™](#) system to see how their courses will transfer from CCC to IIT for all majors. Click [here](#) to learn more.

Make informed course choices in consultation with your College Advisor.
