

Selecting a Delta Dental DHMO Dentist

1. Visit the Delta Dental website at: www.deltadentalil.com
2. On the Delta Dental website, scroll down on the page until you see the section below and select 'Find a dentist today'.

3. When the page reloads populate the required fields (zip code, or city and state), or search by the dentist's last name or Clinic Name (*Note that the DHMO dentist must be a part of the DeltaCare network or they will not come up in your search).

Zip *

OR

Select Your Network 

State *

Search by name

Dentist last name Clinic name

4. Select the network as '**DeltaCare**' and hit Search

5. On the 'Dentist Search Results' Screen, it will provide a list of dentists and clinics according to your search specifications.
 - a. On this page, you can also filter your results further according to distance, gender, languages spoken, and open hours.
 - b. Please make sure that your selected Dentist/Clinic is accepting new patients.
6. Each search result will show a 'DeltaCare Facility I.D.'. Please take note of this number, as well as the dentist's name and facility name, as HR will need this information to get your election set up.
