The term *consumer* refers to items that are generally available to the public by being sold, without restriction, from stock at retail selling points and designed for installation by the user without substantial support by the supplier.

This license exception may be used to export or reexport eligible commodities and software noted above to and for the use of independent non-governmental organization in Cuba or Sudan. The Cuban Government (*e.g.* Members of the Council of Ministers and flag officers of the Revolutionary Armed Forces), the Cuban Communist Party (*e.g.*, Members of the Politburo) and organizations they administer or control, and the Government of Sudan are not eligible end-users (<u>15 CFR §740.19</u>).
