

This is a sample. You must set up an account at the DOE SCGSR website in order to apply for this program.
Deadline to apply: November 16, 2017, 4:00 pm, CST

Instructions

Complete Your Application

Request Letters of Support

Verify & Submit

Check Your Status

The SCGSR Application will close in 80 days

Instructions

To apply for the SCGSR 2017 Solicitation 2, complete these four steps before the **application deadline** of 11/16/2017 5:00 PM Eastern Time:

1 Complete Your Application

Provide all the required information in the application form.

Important: As you complete each page of the application, you must click the "Save & Continue" button at the bottom of each page to save your entries and continue to another page of the application. Each page must be completed before it can be saved. If you navigate away from a page before completing and clicking "Save & Continue", the information you have entered will not be saved. You will be prompted to confirm this choice.

Complete Your Application

2 Request Letters of Support

Make requests for letters of support as soon as possible, then verify that they have been received on the status page.

Request Letters of Support

3 Verify & Submit

Verify that all information is complete and correct, then submit your application. After submittal, you will be able to unsubmit and edit your application until the application deadline. If you unsubmit, you must resubmit your application before the deadline to be considered. After the application deadline, you will only be able to update your contact information in the applicant profile, but you can remove yourself from consideration completely by selecting "Withdraw" on the status page.

Verify & Submit

4 Check Your Status

After your information has been submitted, you can check your status at any time.

The SCGSR Application will close in 80 days

Request Letters of Support

Two Letters of Support are required for the Office of Science Graduate Student Research Program application; one must be from your primary graduate thesis advisor and the other from the collaborating DOE Laboratory scientist.

Letters of Support can only be received through the online form provided to the names that you submit below. Click the 'Send Email' button to send your request for the Letter of Support.

Your Letters of Support

Name	Email	Type	Actions
------	-------	------	---------

NOTE: Received letters of support are recognized by the system immediately and your Status Page will reflect this right away. If you believe that a letter of support has been submitted but it is not listed on your Status Page, please contact sc.scgsr@science.doe.gov as soon as possible.

NOTE: It is your responsibility to verify a Letter of Support Request form has been sent (via email) to your Primary Graduate Thesis Advisor and your collaborating DOE Laboratory Scientist. It is also your responsibility to remind your Primary Graduate Thesis Advisor and your collaborating DOE Laboratory Scientist that they must submit their letter of support using the online system before the application due date.
