# COMPUTER LABS & PRINTING

## Computer Classrooms/Labs

- Seven (7) large computer labs are provided on the Mies Campus for student use. All of these can be used as classrooms that are available for your use when a class is not in session.

## Kiosk Computers

- Computers are scattered throughout campus for students' use in residence halls, academic buildings and the MTCC for student use.

## Galvin Library Devices

- Laptop computers and mobile hotspots are available for checkout in the library. They may be used anywhere on campus for limited hours.

## Virtual Computer Lab (VCL)

- OTS provides a VCL for many classes so you don't have to visit a lab. You can access certain software from any location at any time from your own device.

## Services Available

- Academic Software
- Printing Stations and large scale plotting
- Scanners

## Printing

- Located in most academic and residential buildings
- How to print:
  - Direct printing from labs and kiosk computers
  - Remote printing from you own PC/Mac and VCL
  - Mobile printing from your tablet or smart phone

# Keeping Your Technology Safe

- **Never share your password with anyone.**
  - **No one at Illinois Tech will ever ask you for your password.**
- **Do not share copyrighted materials or download anything illegal.**
  - It violates our Code of Conduct and federal laws.  
The consequences are serious!
- **Keep your operating system and browsers up to date**
  - It will help prevent you from getting and spreading malware.
- **Install anti-virus software**
- **Don't do anything that interferes with anyone else's ability to use the university's network and systems.**
  - Be a good member of the campus community.  
We recommend turning off Bluetooth if you aren't using it.
