

Title IV Authorization Federal Regulations and Form

The Department of Education regulates the charges for which Title IV funds may be used. Title IV funds are Federal loans and grants including, but not limited to, Federal Pell Grants, Federal Direct Subsidized and Unsubsidized Stafford Loans, Federal Graduate and Parent Plus Loans, Federal SEO Grant, and other federal monies. These funds may only be applied to direct institutional charges unless you authorize Illinois Tech to apply the funds to non-institutional charges.

Direct institutional charges to which Title IV funds apply include:

- Tuition
- Illinois Tech Housing
- Meal Plans
- Orientation Fees
- Activity Fees
- UPass Fees
- Student Service Fees

Indirect charges to which Title IV funds **do not** apply include:

- Books
- Health Fees
- Parking
- Graduation Fees
- Returned Check Fees
- Payment Plan Fees
- Late Fees
- Miscellaneous Housing Fees

You are responsible for paying all indirect charges from out-of-pocket funds unless you specifically authorize IIT to use your Title IV funds for these charges by completing a Title IV Authorization Form.

This means you may receive a refund and still owe IIT money.

If all your financial obligations to IIT are not paid in full, you will not be able to register for classes.

To authorize Illinois Tech to use your Title IV funds to pay for non-institutional charges, you must fill out a Title IV Authorization Form on your Illinois Tech Portal. (Log into the portal and search for "Title IV" or locate the form under Tools.)
