## Firm Experience

### Principal/Partner

BOX Studios (aka: FUEL dc) - Chicago, IL

**Dates:** 2001 - Present

**Responsibilities:** Senior leadership role overseeing various aspects of the firm's operations including: Leadership Management, Business Development, Project Oversight, Financial Management, Quality Control, Team Development, Client Interaction, Networking and Community Involvement. The overarching role involves the shaping of the firm's success, both in terms of design excellence and business growth.

**Markets:** Architecture, Base-Building, Education, Government, Health/Wellness, Hospitality, Light Industrial, Multi-Family, Mixed Use, Retail, Repurpose/Renovation, and Workplace.

**Miscellaneous:** After being in the design industry for 10 years, I decided to start my own firm in 2001. FUEL Design Collaborative is a multi-disciplinary practice serving the Chicagoland area. In 2007, we decided to merge in with a former colleague in Denver to form BOX Studios, in order to expand our national and international client reach.
